PER CURIAM:

Raymond A. Johnson appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his civil complaint. We have reviewed the record and find no reversible error. Accordingly, we deny the Appellees' motion to dismiss the appeal, and we affirm for the reasons stated by the district court. Johnson v. Scott Clark Honda, No. 3:13-cv-00485-RJC-DCK (W.D.N.C. Apr. 25, 2014). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
